

WROCLAW, POLAND

## .NET/JAVA DEVELOPER (FIGURO)

### YOUR OPPORTUNITY

Sidel Poland is looking for a .NET/JAVA Developer who is responsible for supporting the rest of Sidel with IT projects and services to automate the Sidel Business Processes. This is done by employing a modern set of software and applications on a global scale. One key tool is the quoting and configuration engine, provided by the vendor Tacton, which is called Figuro. Figuro is a fundamental part for all Sidel sales staff to make quotes and for product management to present the product offering.

Sidel needs a key referent who will take responsibility for the development of Figuro going forward. There will be the opportunity to develop oneself, as well as work with and lead Sidel colleagues and vendor developers on development leaps. The .NET/JAVA Developer will also secure the performance of the running service and the support through service partners. This position reports to the Head of Application Management who reports to the CIO.

### YOUR SCOPE

- Coordinate ongoing development on the Figuro solution done by the vendor
- Yourself, develop functional enhancements on Figuro tool and SharePoint server from requirements to implementation
- Work with colleagues in Sidel for development of interfaces and similar to other applications
- Maintain the good technical level of platforms.
- Availability for travelling

### YOUR PROFILE

Level of education and languages:

- Bachelor diploma in Technology or equivalent
- Fluent in English (written and verbal)

Required experience and skills:

- Application experience and skills for Figuro application
  - .Net / Java / Knockout programming language
  - Sharepoint version 2010 or higher
  - Microsoft SQL server
  - IIS knowledge
  - Tacton Studio
  - DocGen : quote generation
  - Understanding and Working with Web Services
  - Coordinate with third party who is hosting and develop the solution
- Additional skills:
  - Talend Open Studio (ETL)
  - SAP knowledge
- Management skills
- Drivers License

By applying to this vacancy, the applicant acknowledges and agrees to the processing of his/her personal data included in the job application.

## ABOUT SIDEL

The Sidel Group is formed by the union of two strong brands, Sidel and Gebo Cermex. Together, we are a leading provider of equipment and services for packaging liquid, food, home and personal care products in PET, can, glass and other materials.

With over 37,000 machines installed in more than 190 countries, we have nearly 170 years of proven experience, with a strong focus on advanced systems, line engineering and innovation. Our 5,000+ employees worldwide are passionate about providing complete solutions that fulfil customer needs and boost the **performance** of their lines, products and businesses.

Delivering this level of performance requires that we continuously **understand** our customers' challenges and commit to meeting their unique goals. We do this through dialogue, and by understanding the needs of their markets, production and value chains. We complement this by applying our strong technical knowledge and smart data analytics to support maximum lifetime productivity to its full potential.

We call it **Performance through Understanding**.
