

MANTOVA, ITALY

PRODUCT TRAINER

YOUR OPPORTUNITY

Sidel is currently looking for Product Trainer who will be responsible for delivering high quality training solutions within own pre-defined area to both internal and external audiences using different delivery methods (e.g. classrooms, workshop, coaching) at Sidel, at the customer site or via distance learning. A career at Sidel opens the door to a global business environment full of opportunities for unrivalled growth where you can make a real difference. We believe in making Sidel a great place to work by empowering people and giving them the responsibility and the ownership to do amazing things.

YOUR SCOPE

- Monitor and ensure continuous improvement of the training sessions' quality;
- Deliver product technical training sessions in line with the internal and external customer requirements;
- Support the design of Technical Training documentation accordingly to Customer and internal employees' training demand;
- Support the creation and design of training modules for the FSE Training Path;
- Support the creation and design of Competence Audits content and related questionnaires;
- Support with the configuration and update of machineries included in Training Lab (where applicable);
- Develop advanced knowledge in the group product/technology area;
- Mentor junior trainers;
- Organize your travel arrangements with validation of your manager.

YOUR PROFILE

Level of education and languages:

- High Technical diploma or equivalent.
- Specialization in auto-mechanic engineering.
- Good English language is mandatory. French is a plus.

Required experience and skills:

- Good understanding of learning solutions and market drivers, trends and innovations;
- Technical subject matter expertise on Technical Training solution area;
- Knowledge of training content design tools and SW is a plus (e.g. Solid Work, CAD, multimedia animation creation);
- Previous experience as a trainer;
- Good communication and leadership competences;
- Able to travel worldwide (from 50% to 60%).

ABOUT SIDEL

The Sidel Group is formed by the union of two strong brands, Sidel and Gebo Cermex. Together, we are a leading provider of equipment and services for packaging liquid, food, home and personal care products in PET, can, glass and other materials.

With over 37,000 machines installed in more than 190 countries, we have nearly 170 years of proven experience, with a strong focus on advanced systems, line engineering and innovation. Our 5,000+ employees worldwide are passionate about providing complete solutions that fulfil customer needs and boost the **performance** of their lines, products and businesses.

Delivering this level of performance requires that we continuously **understand** our customers' challenges and commit to meeting their unique goals. We do this through dialogue, and by understanding the needs of their markets, production and value chains. We complement this by applying our strong technical knowledge and smart data analytics to support maximum lifetime productivity to its full potential.

We call it **Performance through Understanding**.
