

MOSCOW, RUSSIA

PROJECT MANAGER SERVICES

YOUR OPPORTUNITY

Sidel is looking for a Project Manager Services who manages and executes all Services project activities, including Packaging, Line Conversion, Molds and Line Improvement by securing HSS&E (Health, Safety, Security & Environmental)

YOUR SCOPE

- Understand customer needs, develop, present, and execute Services projects including the HSS&E standards
- Evaluate technical feasibility and risks of a project in order to determine proper level of support at Supply Chain and PM&D
- Act as an 'integrator' for the Services projects, including additional scope of upgrades on the rest of the packaging line
- Propose additional Services Products when required to secure project success and to maximise customer satisfaction
- Ensure the technical feasibility of deals
- Responsible for the Quality Cost, Delivery (timeline) of the projects from Pre contracting to CAV
- Manage project crisis and plan for a course of action in conjunction with all project stakeholders
- Support Services team in sales, proposals, and presentations as needed
- Communicate with PM&D for updates, new developments, applications and technologies as they are released
- Provide accurate, up-to-date project information to ensure reporting is properly completed
- Manage coordination of on-site technicians
- Manage Health Safety Environment & Security (HSE&S) coordination plan

YOUR PROFILE

Level of education and languages:

- Relevant bachelor degree or equivalent
- Fluent in English & Russian (written and verbal)
- Any other language would be seen as an advantage

Required experience and skills:

- 5+ years' experience in project management with strong technical expertise
- Experienced in Packaging, Sidel equipment and Services Portfolio
- Ability to read and interpret Engineering document such as operating and maintenance instructions, assembly drawing.
- Knowledge of MS Office, Project, CRM and SAP a plus

ABOUT SIDEL

The Sidel Group is formed by the union of two strong brands, Sidel and Gebo Cermex. Together, we are a leading provider of equipment and services for packaging liquid, food, home and personal care products in PET, can, glass and other materials.

With over 37,000 machines installed in more than 190 countries, we have nearly 170 years of proven experience, with a strong focus on advanced systems, line engineering and innovation. Our 5,000+ employees worldwide are passionate about providing complete solutions that fulfil customer needs and boost the **performance** of their lines, products and businesses.

Delivering this level of performance requires that we continuously **understand** our customers' challenges and commit to meeting their unique goals. We do this through dialogue, and by understanding the needs of their markets, production and value chains. We complement this by applying our strong technical knowledge and smart data analytics to support maximum lifetime productivity to its full potential.

We call it **Performance through Understanding**.
