

Pully 6 March 2019

New Sidel Group CEO appointed

The Tetra Laval Group Board has appointed Ms Monica Gimre, President & CEO of Sidel Group effective July 1, 2019. The appointment follows the decision by Mr Sam Strömerstén to retire from his position after more than three years as President & CEO and 36 years with the Tetra Laval Group.

Monica Gimre is presently Executive Vice President Processing Solutions & Equipment in Tetra Pak. Prior to her present position she has had several managerial positions in the Group, including Vice President Marketing and Portfolio Management and Vice President Technical Sales and Service for Tetra Pak's Processing business. She joined the Tetra Pak Global Leadership Team in 2016.

Ms Gimre, who is 58 years old has a Master of Science in Chemical Engineering, Lund University, Sweden.

About Sidel

The Sidel Group is a leading provider of equipment, complete solutions, packaging design and services for packaging beverages, food, home and personal care products in PET, can and glass. Sidel has 5,300 employees, revenue in 2017 of EUR 1.4 billion. More information can be found at www.sidel.com

About Tetra Laval

The Tetra Laval Group is focused on technologies for the efficient production, packaging and distribution of food. It consists of three independent industry groups, Tetra Pak, Sidel and DeLaval, all world leaders of their respective field of operations. The Group has 35,000 employees, revenue in 2017 of EUR 13.9 billion and operations in more than 170 countries. More information can be found at www.tetralaval.com
