# COMBINED TRAY PACKER/LID FITTER

## A TRAY FORMING/LOADING/LIDDING SOLUTION TO MEET YOUR SPECIFIC REQUIREMENTS:

### Technical characteristics

- Customised product collating system
- Reliable blank extraction
- Lid can be fitted inside (sealed with hot melt glue or simply inserted) or outside the tray
- Mechanically robust and reliable solution
- Products facing one or two directions in the tray

### Advantages

- All types of lid handled (U-shaped lid, cross lid, etc.)
- Squaring guaranteed by evenly pressing the lid and tray
- Option for handling full wrap around cases with short flaps, trays with ledges, etc.
- Tray or lid moulding possible for products with no counter-pressure

### Performance

- All operations positively controlled
- Speed: up to 26 outers per minute depending on the product and collation
- Option: automatic size changeovers

- Tray forming, loading and lidding on a single machine
- Ideal solution for shelf-ready packaging
- Easy to access blank magazines
- Compact and ergonomic design

Sidel is a leading provider of equipment and services solutions for packaging beverage, food, home and personal care products in PET, can, glass and other materials.

With over 40,000 machines installed in more than 190 countries, we have nearly 170 years of proven experience, with a strong focus on the factory of tomorrow with advanced systems, line engineering and innovation. Our 5,500+ employees worldwide are passionate about providing solutions that fulfil customer needs and boost the **performance** of their lines, products and businesses.

Delivering this level of performance requires that we stay flexible. We continuously ensure we **understand** our customers' changing challenges and commit to meeting their unique performance and sustainability goals. We do this through dialogue and by understanding the needs of their markets, production and value chains. In turn, we apply our solid technical knowledge and smart data analytics to ensure lifetime productivity reaches its full potential.

We call it **Performance through Understanding**.
