COMPACT HIGH-SPEED SHRINK-WRAPPER WITHOUT SEALING BAR

A HIGH-SPEED SHRINK-WRAPPING SOLUTION WITHOUT SEALING BAR TO MEET YOUR SPECIFIC REQUIREMENTS:

Technical characteristics

- Possible to handle products in pucks
- Batch selection by Pick & Place system for smooth and accurate collation Product turning possible prior to shrink-wrapping
- Print registered film
- Possible to function on two tracks
- Reduced operating height
- Reliable lapping
- Total access to the injection table by lateral extraction of the rack

Performance

- Compact footprint
- Quick and easy format changeovers
- Speed: up to 330 products/min

- Bottle infeed on 1, 2 or 3 lanes
- Film injection table on a removable rack for optimal access
- Compact shrink tunnel with low electrical consumption

Sidel is a leading provider of equipment and services solutions for packaging beverage, food, home and personal care products in PET, can, glass and other materials.

With over 40,000 machines installed in more than 190 countries, we have nearly 170 years of proven experience, with a strong focus on the factory of tomorrow with advanced systems, line engineering and innovation. Our 5,500+ employees worldwide are passionate about providing solutions that fulfil customer needs and boost the **performance** of their lines, products and businesses.

Delivering this level of performance requires that we stay flexible. We continuously ensure we **understand** our customers' changing challenges and commit to meeting their unique performance and sustainability goals. We do this through dialogue and by understanding the needs of their markets, production and value chains. In turn, we apply our solid technical knowledge and smart data analytics to ensure lifetime productivity reaches its full potential.

We call it **Performance through Understanding**.
